

# Magnetiska fiskar - extra spelplaner

Art nr 7763-486-7

## **Innehåll PDF: Addition och subtraktion 1-10**

Dessa spel kan max två personer spela samtidigt om alla fiskar på spelplanen ska fyllas i:

1. Addition med summa tom 5.
2. Subtraktion med summa tom 5.
3. Blandad addition/subtraktion med summa tom 5.
4. Addition med summa 6-10, små steg.
5. Subtraktion med summa 6-10, små steg (två tiotalsövergångar).
6. Blandad addition/subtraktion 6-10.

Dessa spel kan max fyra personer spela samtidigt om alla fiskar på spelplanen ska fyllas i:

7. Addition med summa 1-10, större steg.
8. Subtraktion med summa 1-10, större steg (mest tiotalsövergång).

## **Innehåll PDF: Addition och subtraktion 11-20**

Dessa spel kan max fyra personer spela samtidigt om alla fiskar på spelplanen ska fyllas i.

9. Addition med okänd term, summa 11-20 (utan tiotalsövergång).
10. Subtraktion med okänd term, summa 10 -20 (utan tiotalsövergång).
11. Blandad addition och subtraktion med okänd term, summa 11-20 (utan tiotalsövergång).
12. Addition med okänd term, summa 11-19 (med tiotalsövergång).
13. Subtraktion med okänd term, summa 11-20 (med tiotalsövergång).
14. Blandad addition och subtraktion med okänd term, summa 11-20 (med tiotalsövergång).

## **Innehåll PDF: Multiplikation och division med produkt/kvot 1-20**

Dessa spel kan fyra personer spela samtidigt om alla fiskar på spelplanen ska fyllas i.

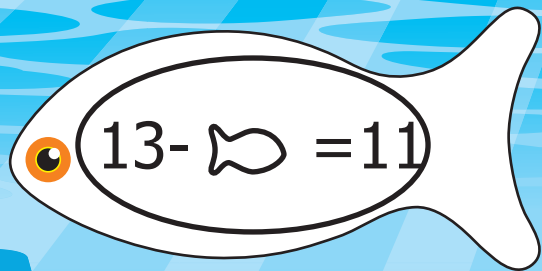

15. Multiplikation med produkt 1-10.
16. Division med kvot 1-10.
17. Multiplikation och division, 1-10.
18. Multiplikation med okänd faktor, produkt 11-20.
19. Division med okänd nämnare, kvot 11-20.
20. Multiplikation och division med okänt tal, 11-20.

## **Innehåll PDF: Multiplikation och division, tabeller 4-9**

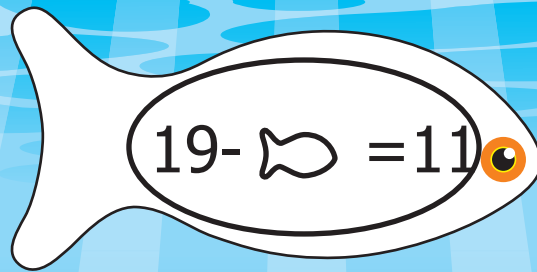

Dessa spel kan fyra personer spela samtidigt om alla fiskar på spelplanen ska fyllas i.

21. Multiplikation med okänd faktor, tabeller 4-6.
22. Division med okänd nämnare, tabeller 4-6.
23. Multiplikation och division, tabeller 4-6.
24. Multiplikation med okänd faktor, tabeller 7-9.
25. Division med okänd täljare/nämnare, tabeller 7-9.
26. Multiplikation och division tabeller 7-9.
